## CONTAP-108336 : 由于回收释放空间时超时，无法删除 ONTAP S3 存储桶

<https://kb-cn-stage.netapp.com/on-prem/ontap/da/S3/S3-Issues/CONTAP-108336>

Updated: Wed, 22 Apr 2026 11:40:13 GMT

### 问题描述

- S3 Bucket 删除失败，出现以下错误。

```
Bucket delete -vserver vserver1 -bucket test-bucket
(vserver object-store-server bucket delete)
[Job 1910] Waiting to reclaim the freed up space.
```

```
Error: command failed: [Job 1910] Job failed: Failed to remove bucket "test-bucket"
for Vserver "vserver". Reason: Timeout while waiting to reclaim the freed up space.
Wait a few minutes and try the operation again. , Object store bucket policy
statements are deleted during the failure of bucket deletion job for bucket "test-
bucket" on Vserver "svm-s3"., Object store audit event selector was deleted during
the failure of bucket deletion job for bucket "test-bucket" on Vserver "vserver1"
```

- `mgmtgwd.jobmgr.jobcomplete.failure` 也见于 `EMS.log` :
- 删除失败见于 `MGWD.log` :

```
[kern_mgwd:info:3513] 0x82b3ef800: 8603e9000011e214: ERR: object_store_bucket:  
deleteBucketV2:src/tables/bucket_delete_job.cc:1308 Failed to delete bucket test-  
bucket on vs:vserver1 at state:15, cat:1410, code:224, Reason:Non-zero quota byte  
accounting.
```
